

"LNC Smart Lil Dually" Daughter Wins 2012 Stallion Incentive Fund!

In 2017 competition, the winner of the 2012 SCHA Stallion Incentive Fund was Duallys Double Smart, a daughter of LNC Smart Lil Dually. Owned by Barry Good of Fillmore, Duallys Double Smart was trained and shown by Michael Belof, White City. This mare was bred by Lloyd and Jan Turner and out of their mare, Smart Gals Dually, the dam of last year's winner. Owned by Lloyd and Jan Turner and Barry and Elaine Good, LNC Smart Lil Dually stood at Turner's Mortlach ranch until his death this past summer. It's noteworthy that since the first year of SIF competition in 2002 that one of LNC Smart Lil Dually's offspring have won the Stallion Incentive Fund 8 out of the 15 years!

The total 2012 Stallion Incentive Fund after expenses is estimated at \$4387 and will be paid out at the SCHA Awards Banquet this January.

SCHA Stallion Incentive Fund

The Saskatchewan Cutting Horse Association implemented the SCHA Stallion Incentive Fund in 1997. The purpose of this program is to promote cutting and "cow bred" horses, breeders of cutting horses, the industry and the SCHA as an Association. Stallion owners paid a nomination fee of \$300.00 for the first stallion and \$200.00 for each additional stallion, to have their horse(s) included in that year's fund. All foals sired by nominated stallions, resulting from that year's breeding are eligible to compete for the fund money in their 4 year old year. The last year of competition will be in 2020, for foals from the 2015 breeding season, as the decision was made at the 2017 SCHA Annual Meeting was made to discontinue the Stallion Incentive Fund program.

Winners are determined by total points achieved in the \$5000 Novice Horse Class at SCHA shows throughout their eligible year. The fund prize money for that year will be paid out according to the CCHA payout schedule.

The program is set up so that 70 of the funds, after expenses are paid, goes to the winners and 30 to SCHA general funding. The SCHA general fund portion is used to help pay for year-end awards.

The Incentive Fund payout is as follows:
55% of the fund goes to winning 4 year olds
9% of the fund goes to owner of the sire of winner
6% of the fund goes to the owner of the dam of winner
30% of the fund goes into the SCHA general account

Please see the list of nominated stallions advertised in the SCHA Bulletin and Website, and in promotional material at the SCHA shows. The owners of the nominated stallions are given tickets to the SCHA Year End Banquet and Awards Night in January.
