Each Province has the option of adding prizes to their designated HHCYSF weekend cutting or their High Point Aggregate winners at their expense and discretion.

It is encouraged that each Association advertise the HHCYS Cutting so that as many youth as possible across the 3 provinces may benefit from the Hans Hansma Canadian Youth Scholarship fund.

Established in 2000 in memory of the late Hans Hansma, the fund has awarded over \$100,000.00 in scholarships to post secondary students since its inception.

Hans Hansma's legacy continues in the Equine Industry including his leadership in the many equine clubs and associations he had a hand in establishing. The development of his Quarter Horse lineage continues to show up as the foundation of many successful breeding programs, and his family members contribute to the equine industry as we know it today.

The scholarship application program is available to those students who apply and fit the criteria. They are eligible for a yearly scholarship of \$1000.00 and can apply for 4 years or when their degree is completed, whichever ever comes first.
