

“NEW”!

ATTENTION ALL CCHA YOUTH CUTTERS!

RE: HHYSF 2025 JEFF SMITH SADDLE

This saddle in the past has been awarded to the CCHA High Point Aggregate.

NEW: In the event Youth classes are not held at any given show due to low entries, all youth entering another weekend show class will have their aggregate weekend score counted towards the year end High Aggregate for the saddle.

****** If a youth competes in more than one class, the class with the highest aggregate will be used.

****** If the youth class is offered and runs, only the aggregate from that class will be used.

****** If a youth shows in a class other than a Youth class, and it is a 3 day show, only the highest aggregate from either Show 2 or Show 3 will be used.

The HHYSF committee encourages all youth to come out and show!

Your runs will count towards the saddle, even if the Youth Class does not run.
