

SCHA Youth Scholarship Winner Announced!

Congratulations to Morgan Anderson, winner of this year's SCHA Youth Scholarship valued at \$1,000.00. Morgan has been a student at Rockglen High School as well as home schooled and currently plans to attend Western Oklahoma State College in Altus, Oklahoma to study Agricultural Business. This award was announced during the SCHA Annual Meeting via Zoom, January 16.

Morgan is the son of Dale and Cheryl Anderson and has lived most of his life on the ranch near Rockglen, SK. Morgan and his family have been involved with cutting in Alberta and Saskatchewan. He has placed in the top 5 in our Saskatchewan Youth Cutting classes; he has also made the CCHA Youth Year End Standings. We don't see as much of Morgan within the SCHA since he has become heavily involved with the Saskatchewan High School Rodeo Association and a long list of other rodeo and team roping associations.

Morgan is actively involved with encouraging youth to try cutting through his involvement with the Saskatchewan High School Rodeo Association. He can be found along with his Mom and sister, Katie, helping to put on the cutting events.

Morgan has many highlights within his school sport and rodeo involvement including placing 5th at the Junior High Nationals in Tennessee in Tie Down Roping and 13th in Team Roping. He is currently qualified to compete at the Junior Ironman this March in Guthrie, Oklahoma: head, heel, steer wrestle and tie down! Good Luck with your studies Morgan!
